Group Therapy Informed Consent

Purpose

Group therapy provides an opportunity to give and receive support, increase self-awareness, and learn new skills within a confidential setting.

Participation & Risks

- Attendance and active participation are voluntary.
- Group discussions may elicit strong emotions.
- Members agree to respect differences and avoid harassment, threats, or discriminatory remarks.

Confidentiality

- Members agree to keep all shared information **private**.
- The therapist cannot guarantee other members will maintain confidentiality, but will emphasize its importance.
- Exceptions to confidentiality include danger to self/others, child/elder abuse, or court order.

Attendance & Fees

- Sessions are 120 minutes billed at \$20-\$85 per session, based on sliding scale.
- Consistent attendance benefits everyone. Please notify the therapist if you must miss a session.

Consent

I have read and understand the information above. I voluntarily agree to participate in group therapy.
